MEMORANDUM FOR THE RECORD

SUBJECT: Inquiry from Nancy Bennett Regarding the Status of
CIA's Request for Funds for a Lane Expansion of the
495 Beltway

1. On 28 November 1984 the undersigned received a call from Nancy Bennett asking the status of the CIA's request for funds in the amount of \$500,000 to create an additional lane on the Beltway between 193 and the Parkway exit. After checking the files and having conversations with the Associate Deputy Director for Administration (ADDA), I found that the Agency had informed the community that efforts would be made to secure funding for this project.

2. I passed this information to Ms. Bennett and told her that the next opportunity to request these funds would be in the FY-87 Budget. I passed this information on to the Public Affairs Office and the ADDA.
